

The Screaming Chicken Squawk

Make-A-Wish Car Show

Top of Texas Trans Am Club

Make-A-Wish show was quite a success. The show had 325 cars entered this year!

Thanks to all who helped make this years event a success.

The Club Participation award went to the Slowpokes again, but we will give them a good run for this for the 2008 show. Please make sure you sign in at all club functions.

The Make-A-Wish Car Show is one of the largest fund raisers for the Make-a-Wish organization in the Texas Panhandle.

The monies raised from the car show will stay right here in the Texas Panhandle and they use the

money for Children here in our area. It is a great show to participate in, attend and know the rewards really goes to the children who are need of help!

Hopefully we will have numbers in April for the \$\$ amount raised.

St. Patrick's Day Parade & Car Show

St. Patrick's Day Parade was held on March 17th in Shamrock, Texas. We had to the best of my memory, 13 cars total in the parade. Of course, one of those was a "Stang" that is running around town with TOTTA stickers.

We had a blast during the parade throwing candy to (or at) every one. The attendance at this parade was fantastic. Lots of watchers and tons of motorcyclists. Just ask Lynn. We were served lunch at the local school which even included "green" bread. The food was pretty good.

The Trans Am Club was awarded the "Club Participation Award" for the parade entry.

After the parade, several members entered their cars in the Shamrock Car Show. Annette Montoyo won an award in the "Special Interest" category. Way to go Annette!! TOTTA also won the "Club Participation Award" for the most entries at the car show.

Starting the parade!

*Owners and Enthusiasts
of the Pontiac Trans Am &
Firebirds*

The Top of Texas Trans Am Club was founded in August of 2004. Since that time, the club has grown to 50 members, all over the Texas Panhandle. Our club is a family oriented group that enjoy all types of automotive events.

We are a group interested in the restoration, driving, modifying, showing, and racing of our vehicles. We are a devoted group of enthusiasts that enjoy our cars and meeting others with similar interests. We attend local & regional car shows, parades & any other reason to drive or show off our cars. Anyone with a Pontiac Firebird, Formula, Trans Am, Firehawk (or any other Firebird model we have failed to mention) from 1967-2002 is welcome to become part of our club.

We have members that are still building or restoring their cars and members that just purchased their first Firebird. Everyone is welcome, no matter if your car is in need of work, or if it is showroom new, or highly modified.
