Palo Duro Latin Club Car Show

The Second Annual Latin Club Car Show was a great success. We had fantastic weather! There were 12 Trans Ams, 1 Chevy Truck and 1 mustang from the club.

There was hot wheel races and food and great door prizes. After the show, we all went to George and Kimberly's place and had some really good eats and fellowship. Thanks again to George and Kimberly for their hospitality.....After that, we made a mighty showing at cruise night. I know I saw the heads turn as we went through the parking lot! Congratulation to all winners at the show.

Great job guys and hope to see everyone next weekend at the Pleasant Valley show.
